Dear Residents, Families and Staff:

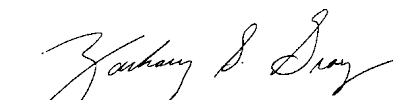

On 10/27/2020, we were notified by the Nevada state lab that two individuals at Alta tested positive for COVID-19. We will be doing contact tracing and our Infectious Disease Preventionist and Medical Director, Dr. Watts and Dr. Magboo, respectively, will be determining who should be immediately tested based on potential exposure.

If you have any questions, please feel free to contact Kim Lee, the DON or Zachary Gray, the Administrator. In the meantime, based on past positive cases, we have found the spread of the virus can be contained if the following measures are STRICTLY followed:

- 1) **WASHING YOUR HANDS OFTEN.**
- 2) **WEARING A MASK.**
- 3) **EATING ALONE.**
- 4) **STAYING OUT OF THE LIBRARY OR LOBBY FOR EXTENDED PERIODS OF TIME.**
- 5) **AVOIDING TOUCHING YOUR EYES, NOSE, AND MOUTH.**
- 6) **AVOIDING CLOSE CONTACT WITH OTHERS.**
- 7) **TELLING SOMEONE IF YOU DON'T FEEL WELL.**

If you have questions, please **CALL** Kim Lee, the DON or Zach Gray, the Administrator. Our goal is to keep you all safe and healthy. We care about you, your families and the staff very much.

Sincerely,

  
Zach Gray, NHA
